El trato privilegiado que tuvo la literatura en este periódico se revela a través del espacio dedicado en él a las letras españolas y mexicanas, incluyendo las de otros países hispanoamericanos, así como, ocasionalmente, traducciones de la literatura francesa, anglosajona y una que otra de distintos países europeos. Esta obra es una muestra fidedigna de la difusión conferida a los movimientos de la literatura finisecular

que experimentaron con el lenguaje y cuyo exponente más destacado fue el modernismo, o que mantuvieron formas canónicas cercanas a este movimiento. 2011 In republishing *Excéntricas* (1893) not only will we recover Bonifacio Byrne's most important volume of poetry, but also one of the most important titles of Cuban modernism, and one which will certainly enrich the canon of Spanish-American modernismo. This is both a critical and carefully commented edition of *Excéntricas* and other selections of Byrne's poetry and prose, which also includes an updated bibliography and a survey of critical approaches to his poetry. The edition also features a rigorous introduction that introduces the author to the reader, places the poet in the context of his time and brings to light his singularity as a modernista poet. Francisco Morán, professor of Spanish-American literature at Southern Methodist University is the editor of this volume. Prof. Morán, who has published extensively on the main figures of modernism, was in charge of the edition of Juana Borrero o la obsesión del obstáculo, also published by Stockcero. 16 de septiembre de 1977 29 Larrea Fernández Ramón Carta a Bonifacio Byrne Encuentro de

2006-01-01 Este libro es el fruto del
homenaje que se rindió a David Mejía Velilla
en la Universidad de La Sabana (Colombia),
el 23 de septiembre de 2004, dos años
después de su fallecimiento. El texto recoge
los estudios críticos elaborados por los
profesores de las diferentes universidades
colombianas, latinoamericanas y europeas,
que conciben la obra poética de David Mejía
Velilla como una de las más originales en los
últimos decenios dentro de la literatura
hispanoamericana. La voz auténtica del
poeta antioqueño es comparada con las
voces de los creadores más renombrados de
este continente. Así mismo, las semblanzas
personales de algunos amigos del poeta
constituyen un testimonio de excepcional
relevancia. Estos valiosos aportes permiten

al lector entender mejor esta vena lírica, de hondos alcances espirituales y de una intimidad calurosa. Los versos de David Mejía Velilla resultan sorprendentes por su impaciente optimismo, la alegría de vivir, la fascinación y el asombro por la naturaleza, el respeto y la cordialidad de las relaciones humanas, rasgos muy escasos en las letras contemporáneas pero que, en la versión del legado artístico del poeta, afirman la universalidad de su obra. Es una verdadera revelación poética que por fin alcanza su merecido reconocimiento internacional.
